

Rescue Mission

Add a piece of history to your outdoor patio, stairs, or walls. This salvaged antique stone is being rescued from old roadways, stairs, and buildings of China's soon-to-be-flooded Yangtze River Valley, as well as sites in India, Indonesia, and Europe. Select from warm or cool tones of granite plus limestone, volcanic stone, and sandstone. Pavers begin at \$26 per square foot. From Rhodes, Ragen & Smith, 206-709-3000 or www.rhodes.org.
